"Maintaining Your Asphalt Today, for a Smooth Tomorrow"

COMPANY PROFILE

ASPHALT SURFACING, INC. (ASI) is a full-service asphalt maintenance company serving the Greater Bay Area. We meet all your needs by providing paving, grading, concrete, sealcoating and striping services. The Ownership and Management has over 45 years experience in the construction and engineering industry. This knowledge translates into superior service, quality products and reliable performance.

The company has enjoyed enormous success since its inception. Our growth has been significant, but we continue to maintain our commitment to our clientele. This has been achieved through hard work, dedication, attention to detail, and good business practices. Our list of satisfied customers continues to expand due to our high standards and belief in developing long-term relationships with clients.
